

HYSTERIA

Three years after a fanatical cult attempted to murder everyone important to him, Connor Maitland is still attempting to put his life back together. Accompanied by his business partner Alison and their new recruit, he is making a living as a jack-of-all-trades running a security company, sailing charters, and even photographing weddings; whatever it takes to get by. Connor's world...

Reader's Opinions

Hysteria is a fun romp with just enough investigative intrigue and a bit of the unearthly unknown to keep you reading - and an at-odds trio of characters that create a fiery dynamic. I was wishing for more action and less dialogue at times to move things along but overall the banter between Veronica and Connor made it fun.

Okay, so a few of the early parts drag a bit, it's not always easy to understand the twists and turns, and sometimes it's almost impossible to tell who's speaking. A few sentences of explanation here and there would work wonders; so would some dialogue...
