Reader's Opinions

Dan Bancroft is growing up. Not growing tall, but becoming mature about how the "real" world works. And is finding out how complicated women are. Dan is quickly faced with the reality that there is more to life than what's inside the protective circle his parents have built around his home and school. When his parents decide to move...

Purchased at Perth Writers' Festival after session with Earls, John Birmingham and Stephen Scourfield talking about "Bromance". Earls was incredibly funny, very self-deprecting and human, but a really talented talker.-----Okay, I read about...
